THE SPIRIT OF CRICKET

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws but also within the Spirit of the Game. Any action, which is seen to abuse this spirit, causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

Managers, Coaches and Captains are expected to take a leadership role and together with umpires and all players set the tone for the conduct of a Cricket match.

There are two Laws, which place the responsibility for the team’s conduct firmly on the captain.

Law 42.1 Responsibility of Captains
The Captains are responsible at all times for ensuring that play is conducted on any part of a cricket ground including the field of play within the Spirit of the Game as well as within the Laws.

Law 42.18 Player’s Conduct
In the event of a player failing to comply with instructions by an umpire, or criticising by word or action the decisions of an umpire, or showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player’s captain, and instruct the latter to take action.

Responsibility of Umpires: Fair and Unfair Play
The umpires are the sole judges of fair and unfair play. The umpires may intervene at any time and it is the sole responsibility of the captain to take action where required. Ineffective action by the captain may result in the umpires putting the player and the captain on report.

The umpires are authorised to intervene in cases of:
- Time wasting
- Verbal abuse directed at other players
- Dangerous or unfair bowling
- Tampering with the ball (i.e. lifting the seam or using resin, wax, oil, hair products, etc)
- Obstruction of batsmen while running
- Incommmoding (by causing bother/nuisance) by noise or action to player on strike
- Any other action that they consider to be unfair

The Spirit of the Game involves RESPECT for:
- Your opponents, your own captain and team and the role of the umpires
- The game’s traditional values including fair play and good humour when losing

It is against the Spirit of the Game:
- To dispute an umpire’s decision by word, action or gesture
- To direct abusive language towards an opponent or umpire
- To indulge in cheating or any sharp practice, for instance:
  a) To appeal knowing that the batsman is not out
  b) To advance towards an umpire in an aggressive manner when appealing
  c) To seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one’s own side

Violence
There is no place for any act of violence on or off the field of play during a Cricket match. Every player is expected to make an important contribution to the Spirit of Cricket.
GENERAL COLLEGE CRICKET PLAYING CONDITIONS

Managers, Coaches and Captains should familiarise themselves with these general playing conditions, those specific to particular grades and the various format conditions later in this handbook. The Laws of Cricket cover any Cricket specific situation not defined in these playing conditions and the College Sport By Laws apply to any other conditions including eligibility not catered for within these conditions.

1. **LAWS**
   1.1 Except as provided herein, the Laws of Cricket 2000 shall apply to all matches.
   1.2 Unless advised to the contrary, the application of Penalty Runs as identified in the revised Laws of Cricket does not apply at any level of games under the jurisdiction of College Sport Wellington, apart from Premier Youth Grade.

2. **SCHOOL CONVENORS**
   2.1 It is imperative that one person at the school be nominated as responsible for receiving and disseminating Cricket related information. Past experience has shown that where non teachers are performing this role, there are communication difficulties.

3. **SUPERVISION**
   3.1 It is a requirement of the College Cricket Management Committee that all teams entered in this competition are supervised throughout any fixture by an adult, responsible to the school of representation for the on and off field actions of the players.
   3.2 This manager/supervisor must be named when team entries are submitted. If a parent roster is formulated to assume this role, a coordinating parent should be named.
   3.3 The College Cricket Committee may forfeit any competition points from a match where there is no supervision, or withdraw such teams from the competition.

4. **ELIGIBILITY**
   4.1 The College Sport Wellington Eligibility By Laws apply and additionally rules 4.2 and 4.3 below.
   4.2 In order to enhance the opportunity for elite College Cricket players to advance their potential to play at the highest level, Cricket Wellington and College Sport Wellington have established formal procedures and protocols around College players playing at Clubs. These protocols are prescribed in Appendix 1 at the end of these conditions.
   4.3 Unless the provisions of Appendix 1 are applied, players who at any stage by their registration at a club other than their school, declare their intent to play their Cricket for a Community Club, are not eligible in that season to play for their College in matches that come under the jurisdiction of College Sport Wellington. This includes being used as a replacement player in any game. This application does not apply to girls, where in the interest of continuing to develop and foster Women’s Cricket, girls may play for both their School and a Club.

5. **REGISTRATION OF PLAYERS**
   5.1 All schools are required to submit a list of their registered team players though the College Sport player registration website - names, date of birth & Year level within 2 weeks of the competition starting.
5.2 Players can only be registered in one team and cannot play for a lower graded team than that they are registered in team in either the same or another grade.

5.3 Once a player plays (as a substitute or replacement player) 3 games for a team higher than that they are registered in, they are deemed to then be a member of that team and need to be re-graded before they play in their original team.

5.4 Players participating in the Cricket Wellington T20 competition are exempt from the requirements of 5.2 and 5.3.

5.5 To constitute a team there must be a minimum of 9 bona fide players at the scheduled start time. Failure to comply shall constitute a default, but those present are encouraged to play a “friendly” match with the players present being equalised into 2 teams.

5.6 All 1st XI’s are governed by the College Sport Wellington first team eligibility protocols as defined in the College Sport By Laws and need to provide additional information on player eligibility.

5.7 In Premier Youth – Premier 3, teams may carry and play 12 players conditional on them nominating their batting and bowling elevens prior to the start of the match. Players may be substituted to field (but not bowl unless so nominated). It is the captains’ responsibility to ensure team lists are exchanged before play.

5.8 In all other grades, teams may carry up to 13 players, but may not bat more than eleven. Players may be substituted to field/bowl.

5.9 Where a team has only eleven players (or fewer) available at the commencement of play, those eleven players will be identified as both the batting and bowling eleven for the purposes of 3.6 and 3.7 above.

6. DRESS (including coloured clothing) & SPONSORSHIP

6.1 As per NZ Cricket’s policy it will be MANDATORY from Term 4 2017 for all Youth Cricket, Boys & Girls, to wear a helmet with a face guard. They must be worn while playing and during practice sessions when batting, keeping (within 5 metres of stumps) and fielding in close (within 7 metres of the stumps, excluding behind the wicket on the off-side). For Term 1 2017 it is highly recommended that this is adhered to and in Term 4 it will become mandatory.

6.1 In Premier Youth Grade, coloured clothing – tops, trousers and pads representative of the school’s registered colours - are mandatory.

The wearing of a coloured bib by the 12th man off the field is encouraged to avoid any confusion, for example if the 12th man stands on the boundary line giving the impression of an illegal fielder.

6.2 In Premier 2, Intermediate 1 and Junior 1 – coloured tops representative of the school’s registered colours are mandatory; coloured trousers and pads optional but only on a whole team basis.

6.3 In all other grades, including girls, white/cream or coloured trousers or shorts, and/or white/cream or coloured shirts may be worn conditional on the entire team wearing the same colour and representative of the school’s registered colours.

6.4 Clothing such as multi coloured beach shorts and t-shirts of varying colours are not acceptable and school convenors/managers have a responsibility to ensure teams are presented in a manner that meets the requirements of 6.1 to 6.3.

6.5 College Sport has, in the case of any sponsorship it obtains, the branding rights to the following property associated with the Premier Youth Grade – Wickets, Bails, Boundary flags, Scoring Systems and Balls.

6.6 In the event of obtaining such sponsorship, College Sport will supply to all teams in the Premier Youth Grade an appropriate supply of the sponsored equipment which those schools will then be required to use in all College Cricket competition matches.
6.7 For the purposes or any sponsorship/branding, each school’s playing uniform is ‘that’ school’s property to brand. However it must conform to the following.

(i) not be in conflict with any College Sport naming sponsor of that grade
(ii) is appropriate and does not reflect any branding that could be considered objectionable
(iii) additional to the school crest and any manufacturers branding, be limited to 2 other sponsors brands on:
(a) the sleeves or front chest where the brand is to be no larger than 8cm x 8 cm
(b) back/shoulders where any brand is to be no larger than 25cm (wide) x 15cm high
(iv) the back of the shirt is also available for a number or player’s surname.

7. FACILITIES包括 BOUNDARY MARKINGS AND EQUIPMENT

7.1 The College Cricket Management Committee reserves the right to intervene when pitches or any other facilities associated with the game are deemed by that committee to be unsuitable. When or where necessary, the committee may reschedule such matches at another venue until such time that remedial work has taken place.

7.2 Outfields must be produced to an acceptable standard and include defined boundaries, - i.e. mown and/or marked in a visible manner.

7.3 Where possible and practical for Junior and Intermediate grades the boundary should be no more than 45 metres and for Senior and Premier grades no more than 60 metres

Refer to Premier Youth Playing Conditions for the field marking requirements for this grade - #12.

7.4 All balls must be of a suitable quality – see below – “cheap” balls that damage bats and lose their shape should not be used.

8. COLLEGES WITH MORE THAN ONE TEAM IN A GRADE and PLAYER MOVEMENT

8.1 If deemed appropriate by the College Cricket Management Committee a College may have up to two teams in any grade.

8.2 Where a College has more than one team in any grade it is important that team selection processes are transparent and all games are played strictly on their merits. The following principles and procedures apply where a school has more than one team in a grade. There are specific additional requirements around Premier Youth Grade (8.3).

(i) Team membership is to be stable and consistent with the registered team list.
(ii) Unless provided for within this rule, College Sport By Laws 3.6, 3.7 & 3.8 apply to the movement of players between teams
(iii) Apart from Premier Youth Grade (see 8.3), if any player is to be promoted (or relegated) to another team in the same grade, then notice of this change and the player(s) involved, must be advised to College Sport Wellington at least 24 hours prior to it being effected.
(iv) A copy of team lists and the full scorecard for such matches must be available on request by the Executive Director of College Sport and the College Cricket Management Committee.
8.3 In Premier Youth Grade where a College has 2 teams in the grade the squads for each team are to be submitted prior to the commencement of the season.

8.4 There will then be 1 ‘transfer’ window when squads may be reviewed and re-selected and then resubmitted. This will be prior to the start of the Term 4 competition. Outside of these windows, a replacement player must be drawn from the 3rd XI or below - there shall not be movement from 2nds to 1sts (or vice versa). Team composition will be monitored through CricHQ.

8.5 On no account is a College to permit a result to be contrived.

8.6 Any person who reasonably believes these principles have not been adhered to may lodge a written complaint to the Executive Director of College Sport, who, subject to any direction by the Chair of the College Cricket Management Committee shall investigate the matter.

8.7 Any substantiated complaint alleging a breach shall then be dealt with by the College Cricket Management Committee as it sees fit and/or shall be treated as conduct prejudicial to the interests of Cricket under the College Cricket Code of Conduct and the procedures under the Code shall apply.

Based on the previous year’s rankings, at the beginning of a season the top 2 ranked teams in any grade will be promoted to the grade above and the bottom 2 teams relegated.

11.4 The ‘end of Term 1 Junior grade rankings’ will transfer to Intermediate grade in the following year.

11.5 The College Cricket Management committee, in consultation with schools, will determine the composition of Junior Grades at the beginning of each year.

The onus is on team Managers, Coaches and Captains of both teams to ensure play progresses at a rate, including drinks breaks, to achieve the required over rate. Penalties apply (13.7) where teams take longer than the prescribed time to complete their overs.

13.8 Where a team takes longer than the maximum time allocated to complete its overs, it shall complete the total required overs; but then when batting shall only be entitled to receive the number of overs it bowled at the expiry of the allocated time.

14. SUSPENDED PLAY & REDUCED OVERS
Applies to all Boys and Girls Grades apart from Premier Youth Grade
14.1 In any match where the start is for whatever reason delayed, the latest start time for morning matches is 10.00am and for afternoon matches 2.00pm.
14.2 Premier 2 - Premier 4 (50 overs)
14.3 The team batting second must complete at least 20 overs for it to constitute a match
   i) In the event of any suspension in play, unless the team batting second has completed 20 overs, the game shall be declared incomplete and 2 points awarded each team.
   ii) If at any interruption, at least 20 overs have been completed by the team batting second, and play does not recommence, the team scoring the most runs off the equivalent overs of the team batting second shall be declared the winner.
14.4 All other morning and afternoon grades (40 overs)
The team batting second must complete at least 20 overs for it to constitute a match
   i) In the event of a suspension in play, unless the team batting second has completed 20 overs, the game shall be declared incomplete and 2 points awarded each team.
   ii) If at any interruption, at least 20 overs have been completed by the team batting second, and play does not recommence, the team scoring the most runs off the equivalent overs of the team batting second shall be declared the winner.

All Girls games will be played using the T20 rules (Premier 1) or 8 aside rules (all other grades) that are found later in this Handbook.
15. DIFFERENTIATING TIED TEAMS
15.1 If in any grade if two teams are equal on competition points, the winner of the most recent competition match between those two teams shall be ranked higher.
15.2 If that match was a no result, or there are more than two teams equal on points, then the teams will be differentiated based on net run rate in all competition matches and the team with the best net run rate ranked highest.
The formula for calculating this is:
(Total Runs For divided by Total Overs Faced) minus (Total Runs Conceded divided by Total Overs Bowled)
If a team is bowled out before their allotted overs the amount of overs they would have bowled/faced is used, i.e: bowled out for 250 @ 48.5 = 50 overs faced.
15.3 In finals, where there is for whatever reason a no result, then the winner shall be the higher ranked team going into that final.

16. DRAW
16.1 A copy of the draw for the season will be available on the College Sport website and through CricHQ. Confirmation of it will be emailed to all school convenors by midday Tuesday each week.
16.2 Convenors should be aware that changes will be advised to schools by email, SMS or CSW App.
16.3 All matches are to be played on the scheduled playing date.
16.4 While every endeavour will be made to avoid Sunday play, wicket shortages may necessitate some games/grades play on Sunday.

17. DEFAULTS
17.1 Teams should only default in exceptional circumstances. If defaulting a match, the school should, by 12.30pm on the day preceding play:
i) Advise the opposing school convenor by telephone, SMS or e-mail (ensure you get a confirmation that message has been received by them) and
ii) Advise the office of College Sport Wellington by telephone, SMS or e-mail.
17.2 In the case of a default, the team defaulted to shall be awarded the maximum points.
17.3 If a team defaults on more than one occasion, College Sport reserves the right to either withdraw that team from the competition or relegate it to a lower grade. The next ranked team from that school may then be promoted to replace it.
17.4 Teams who fail to notify both their opposition & College Sport of their intent to default as in 17.1 shall incur a fine of $20.

18. RESULTS
18.1 All schools are required to enter their results through the CricHQ online results system no later than midday on the Monday following play. This system is password protected and the school convenor/administrator has this authority. Schools may also add other administrators through the CricHQ system to assist with the entering of these results.
18.2 In Premier Youth Grade full scoreboards are required for all matches using CricHQ – these are generated automatically when matches are scored live as is mandatory for Premier Youth. This is optional for all other grades otherwise a Basic Scorecard as a minimum is required:
18.3 Login to CricHQ.com. All of your teams’ fixtures are listed under the 'Manage’ section on CricHQ.com. Go to your Manage section and select ‘Fixtures’ (‘Image 1', point '1').
This will list all of your current fixtures, their match details and their status. Use the date and team filters at the top to locate the appropriate fixture (‘Image 1’, point ‘2’ and point ‘3’).

After locating the fixture you are looking for, to add a result, simply click the "Scorable" or "Accepted" button on the fixture and you will be taken through to the fixture summary screen (‘Image 1’, point ‘4’). From this page you have the option of two different types of scorecard entry. Navigate to the fixture options drop down (‘Image 2’, point ‘1’) and select either ‘Enter Basic Scorecard’ or ‘Enter Full Scorecard’ (‘Image 2’, point ‘2’).

18.4 How to enter a Basic Scorecard

The basic scorecard allows you to enter in the minimal amount of information required to update points tables and give the correct information to CSW.

To enter a Basic Scorecard find the fixture you wish to enter it for, click the fixture to go into the fixture summary screen and then select the blue ‘Enter Basic Scorecard’ button to begin the process.

The below image shows the match details of a fixture. The top part of the screen is pre-populated and some information is not editable as it has been set that way. If this information is not correct, it is either the wrong fixture, or you will need to contact CSW and ask them to change the fixture details.

The second half of the Basic Scorecard requires you to enter in the information from the match under the heading ‘Match Result’ (‘Image 2’, point ‘1’)

The dropdown box requires information on the result of the fixture. Below this you need to enter in each team’s innings details for Runs, Wickets and Overs and details of why the innings ended eg. all out, end of overs. (‘Image 2’, point ‘2’). Once this information has been entered, click the blue ‘Submit Scorecard’ button in the bottom right corner to finish adding the result. (‘Image 2’, point ‘3’)

The final step is to click the ‘submit scorecard’ button on the next page.
19. **UMPIRING**

19.1 The College Cricket Committee in conjunction with the Cricket Wellington Umpires and Scorers Incorporated (CWUSI) make available to Colleges, umpire training courses at either Level 1 or Level 2. Level 1 is held over one night & Level 2 over 3 nights including an end of course exam. There is no cost for either course and those who successfully complete the Level 2 end of course examination will receive certification of such and be granted Junior Membership of Wellington Cricket Umpires and Scorers Inc and then be offered the opportunity to officiate in Junior Inter-zone representative matches.

Where player umpires are required (Junior Grade apart), the onus is on team coaches and managers to assist and manage player umpires ensure the Spirit of Cricket is upheld and matches are conducted fairly.

19.2 **Premier Youth Grade**

Premier Youth Grade matches will be officiated by appointed accredited umpires. Where no CWUSI appointment is made to a match, then each team will be required to provide a volunteer person(s) to officiate a whole or portion of the match; those persons being mutually agreed by the respective Coaches and Captains prior to the match; the hierarchy being – Level 2 accredited, adult, player. To this end, *we encourage* all teams playing in Premier Youth Grade that they have at least one (desirably more) designated adult umpires who have attended the CWUSI Level 2 accredited course and passed the examination for this and then if required be available to officiate in Premier Youth Grade matches of their school.

Additionally, in partnership with the Cricket Wellington Umpires and Scorers Inc, the College Cricket Management Committee has a further pool of Level 2 and above accredited umpires who will be appointed to all Premier Youth Grade fixtures by CWUSI in the week prior to each match. These umpires will be priority-appointed over school based umpires and they will receive a match fee of $60/umpire/ match ($90 if there is only one umpire). Schools will be invoiced for this at the end of Term 1 and the end of Term 4.

19.3 **Premier 2-4**

These matches are to be officiated by player umpires from the batting team who must have attended the CWUSI Level 2 Training Course and be able to show evidence of that. Otherwise the fielding side shall provide conditional on the Level 2 validation.

19.4 **Senior & Intermediate**

These matches are to be officiated by a player umpire from the batting team who must have attended the CWUSI Level 1 Training Course and be able to show evidence of that; alongside an adult from the batting team.

19.5 **Junior & Girls**

These matches are to be officiated by non-player umpires who may be either adults or non-player students who have at least CWUSI Level 1 accreditation.

20. **WIDES**

20.1 Umpires should consult prior to the start of play to confirm their interpretation of these variations.

20.2 Apart from Premier Youth Grade (see PYG #9); the following variation to Law 25 shall apply:

i) Any offside or leg side delivery which, in the opinion of the umpire, does not give the striker a reasonable opportunity to score shall be called wide. As a guide such balls are those bowled: Over 50% between the leg stump and the return crease.
Over 75% between the off stump and the return crease.

ii) To assist umpires and players with the application of the wide rule, lines should be marked on both sides of the wickets used for these games: a “dotted” leg side line at 45cm and an unbroken off side line at 85cm - both measured from middle stump.

20.3 Any ball called a ‘Wide’ scores a penalty of one run which in all cases shall be recorded as a Wide and shall stand in addition to any other runs which are scored. These shall also be recorded as Wides

20.4 In Intermediate 2, 3 & 4 and all Junior grades, overs will be limited to a maximum 8 balls, including Wides and No Balls. The exception is the last over of the innings must have 6 legitimate balls bowled.

21. NO BALL
Premier Youth Grade - see Playing Conditions (#8).
For all other Grades in College Cricket:

21.1 Umpires should consult prior to the start of play to confirm their interpretation of these variations. In general, the rules are covered in the Laws of Cricket (Law 24.6, 42.7 & 42.8)

21.2 A ball bouncing more than once or rolling along the ground before it reaches the popping crease is a No Ball. (Note this is a variance to Law 24.7)

21.3 A bowler shall be allowed to bowl one fast short pitched delivery per over. For each subsequent such delivery the umpire shall call and signal No Ball.
A fast short-pitched ball is defined as a ball which passes or would have passed above the shoulder height of the striker standing upright at the crease. If a permitted fast short-pitched ball passes above the head height of the batsman standing upright at the crease it shall be called a wide.

21.4 Any delivery which passes or would have passed on the full above waist height of the striker standing upright at the popping crease is to be deemed dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.
The umpire shall call and signal No ball for each such delivery.
Refer to Law 42.7 – Dangerous and unfair bowling – action by the umpire. However, for all grades below PYG, two warnings may be given and a bowler taken off only after a third high full-pitched delivery.

21.5 Any ball called a ‘No Ball’ scores a penalty of one run (or more if such occurs). Any additional runs scored off the bat are attributed to the striker.

21.6 In College Cricket, (apart from Premier Youth Grade) there is no ‘Free Hit’ for a No Ball.

21.7 In Intermediate 2, 3 & 4 and all Junior grades, overs will be limited to a maximum 8 balls, including Wides and No Balls. The exception is the last over of the innings must have 6 legitimate balls bowled.

22. PENALTY RUNS
22.1 Law 42:17 shall only be applied in games where Official Umpires are appointed

23. OVERS BOWLED PER BOWLER
23.1 In all Junior, Intermediate & Senior grade matches (40 overs), no player shall bowl more than 6 overs in any match.

24. LBW – Boys Junior & Intermediate 8 Aside, & Girls 8 Aside Grades Only
24.1 There shall be no LBW rule applied in these grades
25. **POINTS**

25.1 **One Day Matches - All Grades**

- **Win**: 4 competition points
- **Tie, incomplete or cancelled match**: 2 competition points

**Note:** In Premier Youth Grade only there will be a bonus point added if below is achieved:

If a team achieves a run rate of 1.25 times that of the opposition it shall be awarded one bonus point. A team’s run rate will be calculated by reference to the runs scored in an innings divided by the number of overs faced. Where a side is all out, the number of overs to be used is the maximum number of overs that side was otherwise eligible to face.

25.2 **T20 Matches - All Grades**

- **Win**: 2 competition points;
- **Tie, incomplete or cancelled match**: 0 competition points

25.3 In any match where a team wins by default, the winning team shall be awarded the maximum points.

25.4 A Tie is resultant of the runs scored by each team being equal (irrespective of number of wickets lost).

25.5. **Awarding of points where weather intervenes:**

Points will be awarded to the team winning any completed match & points shared for matches abandoned.

26. **RESERVE/RAIN DAYS**

Where there is provision for reserve/rain days, the following shall apply:

26.1 Every reasonable effort shall be made to complete the match, reducing overs if need be, on the scheduled day.

26.2 If the match cannot be completed on the scheduled day, it shall begin afresh, including the toss, on the reserve day.

26.3 Where in a round of matches, if one or more of those matches are completed and others abandoned; a reserve day may not be used to re-play any of those matches.

26.4 CSW may at its discretion apply a variation to this.
24. PREMIER YOUTH GRADE PLAYING CONDITIONS

The following conditions apply only to Premier Youth Grade

1. SCHEDULED HOURS OF PLAY

1.1 Number of overs per team 50
1.2 Start time 11:00am
1.3 Break between innings 40 minutes from the innings end
1.4 Second Session At conclusion of 40 minute break
1.5 Overs per team required to constitute a game 20
1.6 Overs per hour to be maintained 14.28
1.7 Latest time game can start to constitute a match 4:32pm [break now 10 minutes]
1.8 Maximum number of overs per bowler used 10 - a minimum of 5 bowlers must be used
1.9 Scheduled latest time your game can finish 7:30pm

2. LAW 3:9 - FITNESS OF LIGHT

The Laws of Cricket shall apply except that (b) (ii) is replaced as below:
Play shall continue regardless of the state of light unless, in the opinion of the umpires, it is unreasonable or dangerous to continue.

3. LAW 12 - INNINGS

3:1 In an uninterrupted match which includes a match where the start of play is delayed but where it is possible for both sides to bat their full number of overs in the match (refer 1:1):
3:1:1 Each side shall bat for their full number of overs (refer 1:1) unless all out earlier.
3:1:2 In the event of the side fielding first failing to bowl the required number of overs by the expiration of time (refer 1:2) from the commencement of the innings of the side batting first, it shall bowl out the remaining number of overs required but its innings shall be limited to the same number of overs as it bowled to its opponents by the expiration of time (refer 1:2). An over in progress at the expiration of time shall be deemed to have been bowled.
3:1:3 If the side batting first is all out and the last wicket falls within two minutes of the expiration of time (refer 1:2) from the commencement of the innings, the innings of the side batting second shall be limited to the same number of overs as the innings of the side batting first. (The over in which the last wicket falls is to count as a complete over).
3:1:4 If the side batting first is dismissed in less than their full entitlement of overs, the side batting second shall be entitled to bat its full number of overs (refer 1:1) except as provided for in 3:1:2 or 3:1:3 above.
3:1:5 In the event of the side fielding second failing to bowl, if necessary, their full number of overs or the number of overs as provided in Playing Conditions 3:1:1 to 3:1:4 inclusive by the scheduled cessation time, the hours of play shall be extended until the required number of overs has been bowled or a result achieved.
3.2 Delayed start to a match or where play is suspended:

3.2.1 The object should always be to arrange the number of overs so that both sides have the opportunity of batting for the same number of overs (refer 1:5 for minimum number of overs to constitute a match). The calculation of the number of overs to be bowled shall be based on the average overs per hour in the time remaining before the scheduled cessation of play (refer 1:9).

3.2.2 If the number of overs of the side batting first is reduced, no fixed time will be specified for the close of innings and in the event of the side fielding second failing to bowl, if necessary, the reduced number of overs by the rescheduled cessation of play, play shall continue until the required number of overs has been bowled or a result achieved.

3.2.3 If, owing to a suspension of play during the innings of the side batting second, it is not possible for that side to have the opportunity of batting for the same number of overs as the side batting first, it shall bat for a number of overs to be calculated as in Playing Condition 3:2:1 above.

3.2.4 The side batting second shall not bat for a greater number of overs than the side batting first unless the latter has been out in less than the agreed number of overs.

4. LAW 1.5 - INTERVALS

4:1 Scheduled hours of play:
In those matches where the start of play is not delayed or play is not interrupted, hours of play shall be as per 1:2 to1:4 inclusive.

4:2 The start of play in Premier Youth Grade may be delayed (for reasons other than ground, weather or light) up to one hour with the consent of both sides and the approval of College Sport Wellington’s Cricket Manager.

4:3 An interval shall be taken at the conclusion of the innings of the side batting first, irrespective of the time the innings closes and the length of the innings. After the scheduled break the side batting second shall commence its innings.

4:4 Where the start of play is delayed or play is interrupted due to ground, weather or light the umpires will normally vary the length of the break between innings as follows:

<table>
<thead>
<tr>
<th>Time lost</th>
<th>Length of Innings Interval</th>
</tr>
</thead>
<tbody>
<tr>
<td>00-50 minutes</td>
<td>40 minutes</td>
</tr>
<tr>
<td>51-80 minutes</td>
<td>30 minutes</td>
</tr>
<tr>
<td>81-140 minutes</td>
<td>25 minutes</td>
</tr>
<tr>
<td>141-170 minutes</td>
<td>20 minutes</td>
</tr>
<tr>
<td>171-200 minutes</td>
<td>15 minutes</td>
</tr>
<tr>
<td>201 or more minutes</td>
<td>10 minutes</td>
</tr>
</tbody>
</table>

4:5 Two drinks breaks per session are normally permitted, to be confirmed before the toss. Drinks are always to be taken on the field of play.

5. LAW 16 - CESSATION OF PLAY

Where the start of play is delayed or where play is suspended:

5:1 The hours of play may be extended by up to one hour (refer 1:9) in order to complete the scheduled overs.

6. LAW 21 - THE RESULT

6:1 A result can only be achieved if both sides have batted for at least the minimum number of overs to constitute a match (refer 1:5), unless one side has been dismissed in less than the minimum overs, or unless the side batting second scores enough runs to win in less than the minimum number of overs.

6:2 All other matches in which one or both sides have not had the opportunity of batting for the minimum number of overs to constitute a match (refer 1:5) shall be declared no result matches.
6:3 In a match in which both sides have had an opportunity of batting for the agreed number of overs, the side scoring the higher number of runs shall be the winner.

6:4 If the scores are equal, the result shall be a tie and no account shall be taken of the number of wickets, which have fallen.

6:5 If the side batting second has not had the opportunity to complete the agreed number of overs, and has neither been all out nor passed its opponents score, the result shall be decided by a Duckworth Lewis calculation, using the CricHQ app. This app is available while live scoring and also as a separate calculator on the app.

7. LAW 22 - THE OVER
7:1 No one bowler shall bowl more than 1/5th of the total overs (refer 1:8) to be bowled in the match. When the total number of overs is not divisible by five, an extra over will be given to a minimum number of bowlers until all the overs have been allocated. For example, if a match is reduced to 33 overs, three bowlers will have a maximum of seven overs, with two more bowlers having a maximum of six overs.

7:2 A bowler shall finish an over unless incapacitated or suspended under Laws 42:7, 42:8, 42:9 or 42:12. If an over is left incomplete for any reason at the start of an interruption of play it shall be finished on resumption.

7:3 If for any reason, a bowler is incapacitated while running in to bowl the first ball of an over, or is incapacitated or suspended during the over, the umpire shall call and signal “Dead Ball”. Another bowler, who has not bowled the immediately preceding over, shall complete the over from the same end. This will count as an over in the allocation for each bowler involved.

8. LAW 24 - NO BALL
Umpires are instructed to apply a strict, consistent interpretation of this Playing Condition in order to prevent negative bowling.

8:1 A bowler shall be allowed to bowl two fast short pitched deliveries per over. For each subsequent such delivery the umpire shall call and signal No Ball.

8:2 A fast short-pitched ball is defined as a ball which passes or would have passed above the shoulder height of the striker standing upright at the crease. A ball that passes above the head height of the batsman shall be called a wide. Any fast short pitched delivery that is called a wide under this playing condition shall also count as one of the allowable short pitched deliveries in that over.

8:3 The delivery following a No ball shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No ball or Wide ball) then the next delivery will become a free hit for whichever batsman is facing it. The Bowler’s end umpire will signal a ‘Free Hit’ by extending one arm straight upwards and moving it in a circular motion.

8:4 For any free hit, the striker can be dismissed only under the circumstances that apply for a No ball, even if the delivery for the free hit is called Wide ball. Note that this means that a striker cannot be out stumped off a Wide when the Wide is called on a free hit

8:5 Field changes are not permitted for free hit deliveries unless there is (1) a change of striker; or (2) No ball was called for an infringement of a fielding restriction, in which case the minimum field change to rectify the infringement is required

8:6 Any delivery which passes or would have passed on the full above waist height of the striker standing upright at the popping crease is to be deemed dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.

8:7 The umpire shall call and signal No ball for each such delivery, caution the bowler, issue a first and final warning, and inform the other umpire, the captain of the fielding side and the batsmen.

8:8 A penalty of one run for a no ball shall be awarded and shall in all cases be scored as a no ball. This penalty shall stand in addition to any other runs, which are scored or awarded.
9. LAW 25 - WIDE BOWLING
Umpires are instructed to apply strict consistent interpretation of this Playing Condition in order to prevent negative bowling wide of the wicket.

9:1 The provisions below do not apply if the ball makes any contact with the striker’s bat or any part of the striker's person or clothing.

9:2 Any off-side delivery, which, in the opinion of the umpire, passes outside an off side “wide” line at 85cm measured from middle stump, shall be called and signalled 'Wide' by the umpire, irrespective of the position of the striker.

9:3 Any ball passing the batsman down leg side shall be called wide.

9:4 A penalty of one run for a wide shall be awarded and in all cases be scored as a wide and shall be in addition to any other runs scored. All runs shall be scored as wides.

10. MODE OF DELIVERY
No bowler may deliver the ball underarm.

11. TIME WASTING
Umpires and captains should take into account in limited-over matches any deliberate slowing down of the tempo by either batsmen or fieldsmen where it may be seen to be to the disadvantage of an opposition team, e.g. in the case of a team fielding second slowing down the game knowing it might win a shortened game on run-rate, or in the case of a team batting first slowing down the game to reduce the number of overs available to the team batting second.

12. FIELD RESTRICTIONS
12.1 At the instant of delivery, there may not be more than 5 fieldsmen on the leg side, nor more than 2 fieldsmen behind square.

12.2 In addition to the restriction relating to a Free Hit contained in clause 8.1 above, further fielding restrictions shall apply to certain overs in each innings. The nature of such restrictions and the overs during which they shall apply are set out in the following paragraphs.

12.3 The following fielding restrictions shall apply:
Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field. The fielding restriction areas should be marked by continuous painted white lines or ‘dots’ at 5 yard (4.57 metres) intervals, each ‘dot’ to be covered by a white plastic or rubber (but not metal) disc measuring 7 inches (18 cm) in diameter.

At the instant of delivery:
   a) Powerplay 1 - no more than two (2) fieldsmen shall be permitted outside this fielding restriction area. In an innings of 50 overs, these are overs 1 to 10 inclusive.
   b) Powerplay 2 - no more than four (4) fieldsmen shall be permitted outside this fielding restriction area. In an innings of 50 overs, these are overs 11 to 40 inclusive
   c) Powerplay 3 - no more than five (5) fieldsmen shall be permitted outside this fielding restriction area. In an innings of 50 overs, these are overs 41 to 50 inclusive

12.4 In circumstances when the number of overs of the batting team is reduced, the number of overs within each phase of the innings shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both the 1st and 2nd innings of the match.
12.5 If play is interrupted during an innings and the table in 12.4 applies, the Powerplay may take immediate effect. For the avoidance of doubt this applies even if the interruption has occurred mid-over.

Illustrations of 12.5

A 50 over inning is interrupted after 8.3 overs and reduced to 32 overs. The new phases are 7+19+6. Therefore the middle phase fielding restrictions take immediate effect when play resumes and last for a further 17.3 overs. The final phase begins after 26 overs have been bowled.

A 40 over innings is interrupted after 18.5 overs and reduced to 22 overs. The new phases are 5+13+4. When play resumes, the final phase fielding restrictions apply for the remaining 3.1 overs.

12.6 At the commencement of the middle and final phases of an innings, the umpire shall signal such commencement to the scorers by rotating his arm in a large circle.

12.7 In the event of an infringement of any of the above fielding restrictions, the square leg umpire shall call and signal 'No Ball', but if the infringement is noted before the bowler reaches his delivery stride, the umpire calls Dead Ball and asks the captain to adjust the field.

13. NEW BALL PER INNINGS

For each match, both teams must provide a new 4 piece 156g White ‘Kookaburra Club Match’ ball. Teams are permitted to use only one new ball per innings.

14. SCORING

14.1 In Premier Youth Grade it is mandatory that all games are ‘live-scored’ using the CricHQ on line app scoring – teams should only use book scoring as a backup.

14.2 In each match, the home team (or if at a neutral ground the first named team in the draw) is designated official scoring responsibilities for that match. The other team should use CricHQ as a backup and in doing so liaise with the official scorer’s.

14.3 Each Premier Youth Grade team should appoint a person who will be doing the live scoring (the scoring administrator) and they will be set up as a CricHQ administrator.
15. **DRESS**
15.1 Coloured clothing (shirts and trousers) representative of the school’s registered colours is mandatory. With white balls being used, such clothing should exclude white as a predominant colour.
15.2 Teams are also required to wear coloured pads
15.3 For the purposes or any sponsorship/branding, each school’s playing uniform is ‘that’ school’s property to brand. However it must conform to the following.
   (i) not be in conflict with any College Sport naming sponsor of that grade
   (ii) is appropriate and does not reflect any branding that could be considered objectionable
   (iii) additional to the school crest and any manufacturers branding, be limited to 2 other sponsors brands on:
       (a) the sleeves or front chest where the brand is to be no larger than 8cm x 8 cm
       (b) back/shoulders where any brand is to be no larger than 25cm (wide) x 15cm high
   (iv) the back of the shirt is also available for a number or player’s surname

16. **SPONSORSHIP**
16.1 College Sport has, in the case of any sponsorship it obtains, the branding rights to the following property associated with the Premier Youth Grade – Wickets, Bails, Boundary flags, Scoring Systems and Balls.
16.2 In the event of obtaining such sponsorship, College Sport will supply to all 8 teams in the Premier Youth Grade an appropriate supply of the sponsored equipment which those schools will then be required to use in all College Cricket competition matches.

17. **COVERS**
17.1 It is mandatory for the host school to provide and use covers. Covers must be a minimum of 30m x 8m. On the evening prior to play the pitch shall be covered no later than 8.00pm and lifted no later than 8.00am unless it is still raining or threatening to rain. The covers may be left off the pitch the night prior to the commencement of play to assist with the drying of the pitch. Both teams must agree to this taking place. There is no requirement, unless both teams agree, to re-cover the wicket once play on a day has commenced.
17.2 Any infringement of the above prescribed use of covers may, at the discretion of the CCMC and irrespective of the match outcome, result in forfeiture of all or a portion of any competition points by the host school to the opposition.

18. **LUNCH PROVISION**
18.1 It is a requirement that the host team provide lunch for their opponents.

19. **COMPETITION POINTS**
19.1 One Day Matches
   - Win: 4 competition points (+ bonus point if achieved*)
   - Tie, incomplete, cancelled: 2 competition points

*Bonus point: if a team achieves a run rate of 1.25 times that of the opposition it shall be awarded one bonus point. A team’s run rate will be calculated by reference to the runs scored in an innings divided by the number of overs faced. Where a side is all out, the number of overs to be used is the maximum number of overs that side was otherwise eligible to face.
19.2 In any PYG match where a team wins a one day match by default, the winning team shall be awarded the maximum points obtained by any other team in that round.

19.3 Unless a deferral has been approved under CSW By Law 17, or there are in the opinion of CSW, exceptional circumstances; any default in Premier Youth Grade will incur an automatic sanction against the team defaulting. The minimum sanction shall be the loss of the maximum competition points any team in that grade obtained in that round.

19.4 Where the number of runs scored by each team is equal, the result shall be a Tie irrespective of the number of wickets lost.

19.5 Awarding of points where weather intervenes:
As official umpires determine fitness of conditions or play, points will be awarded to the team winning any completed match & points shared for matches abandoned.

20. OFFICIAL WARNING SYSTEM
Note: the Code of Conduct system will still be applied where necessary (sect.30)
Officially appointed umpires may issue an official warning to players over their behaviour. The warning system works as follows:
On witnessing an incident by a player an umpire considers inappropriate but not worth a full citing an umpire will advise the player and issue an official warning.

20.1 The captain and player involved will be informed by the umpire at the time that they have been given this warning.

20.2 The umpire will inform College Sport Wellington no later than 48 hours after match completion of the player and team that was officially warned. The umpire will detail who was warned and why they were warned.

20.3 CSW will inform Schools when players receive an official warning as well as the player and captain being informed by the umpire at the time of the warning.

20.4 CSW will keep a record of official warnings given.

20.5 Once a player receives 3 official warnings they will be automatically suspended for 2 weeks.

20.6 If a player or players within a team receive 4 official warnings the side will lose 2 competition points. (Official warnings to individual players are counted towards the team total).

20.7 Should a team receive more warnings after their first 4, any 2 after the first 4 will result in an additional 2 competition points being deducted.

20.8 2 official warnings received by the same player in a match will result in a mandatory 1 week suspension for that player.

20.9 Warnings may be issued to more than one player in respect of the same incident; if for example two players are cited that will constitute 2 separate official warnings.

20.10 Warnings will be cleared and reset at the end of every season.

20.11 Umpires are still expected to manage behaviour effectively where possible without issuing an official warning.

Protocols for Nominated College Premier Players Moving to Club Cricket

These protocols are part of a formal arrangement between Cricket Wellington represented by the Director of Cricket & College Sport Wellington, represented by the Executive Director of College Sport or his appointee. In order to enhance the opportunity for elite College Cricket players to advance their potential to play at the highest level, Cricket Wellington & College Sport Wellington has established the following protocols around College players playing at Clubs. While this removes the player from playing in the College competition, it is desirous in any such movement that the player should be given the opportunity to represent their college in traditional and Gillette Cup matches.

1. The Cricket Wellington Director of Cricket is the facilitator/manager of all such player recommendations and processes thereafter.
2. There must be open dialogue in the first instance around the potential player(s) involved, with the ED of College Sport or his appointees; subsequently the player, his parents or caregivers, coach and the school management then the club Chairman. This should be initiated in Term 4 each year. The dialogue shall cover not only the benefits to the player, but any possible implications to the College of the player moving so these are fully understood by all parties prior to any final decision.
3. Any players to be considered for such promotion must:
   (i) be considered by Cricket Wellington’s Director of Cricket to be a very good chance of making the Wellington 18s side with the potential to be considered for the New Zealand 18s Development squad. and/or
   (ii) be in the opinion of the Director of Cricket, a strong chance to be selected for the NZC Identified Firebirds Development Squad in the next two years.
4. Any such player nominated as in 3 (i) & (ii), with the agreement of his College and parents, will then from the commencement of a calendar year move to play his Cricket in either the Pearce or Hazlett Cup club competitions and placed in an appropriate club by the Cricket Wellington Director of Cricket. Such players then become ineligible to play in any aspect of the College competition (Playing Condition 4.2) unless they request a move back to college cricket and on application are so regraded.
5. Any player so nominated and moving to play in the club competition shall be mentored by the Cricket Wellington Director of Cricket (as opposed to the club alone);
6. Additional to any player identified in 3 & 4 above, where there is no clash with a player’s College Cricket programme (his “Primary Club”), (e.g. Sundays or the Term 4 holidays), on the recommendation of the Director of Cricket, arrangements maybe made for other identified College players to play at Pearce and or Hazlett level during those windows.
7. In the case of a player moving from College to Club, the player’s College may include him in matches outside of the College Cricket competition – Gillette Cup & traditional and they may seek some coaching/mentoring contribution from him at a junior level within his College.
