- v. **Scorebench Duty** – the home team is to run the scorebench but the visiting team may put someone on scorebench to assist if they so desire.

## 10. COMPETITION FORMAT

- i. Where possible, in the competition proper, teams will be placed in 8 team grades based on the results of the grading system outlined in 10 ii - vii. If requested by an individual school or deemed appropriate, College Sport its appointee reserves the right to make adjustments to the placement of teams in the grading pools. As a general rule, this will be a movement downwards in ranking.
- ii. **Grading** - Apart from the top 4 Junior and Senior Premier teams, (see 10iii), all teams entered will be placed into 4-team pools (A – L or the necessary number required) based on the previous season's rankings and play a three game grading round robin. Unless any exceptional circumstance can be demonstrated by a school, any new teams entered shall be ranked lower than any teams from the previous season in an order at the discretion of College Sport.
- iii. The top 4 Junior & senior Premier teams from the previous year will be 'siphoned off' from the grading games, guaranteed Premier status (unless requested otherwise by the school) and play in a separate 3 match pool of their own while the grading games occur.
- iv. Following the grading matches
  - Premier will be made up of the top 4 teams plus the winners of Pools A-D: (8 Teams)
  - Division 1 will be made up of the 2<sup>nd</sup> & 3<sup>rd</sup> teams of Pools A-D: (8 Teams)
  - Division 2 will be made up of the 4<sup>th</sup> teams of Pools A-D & the 1<sup>st</sup> teams of Pools E-H: (8 Teams)
  - Division 3 will be made up of the 2<sup>nd</sup> & 3<sup>rd</sup> teams of Pools E-H: (8 Teams)
  - Division 4 will be made of the 4<sup>th</sup> teams of Pools E-H & the 1<sup>st</sup> teams of Pools I-L: (8 Teams)
- v. Teams will then play a Championship round, ~~after which the grade is split into Top 4 & Bottom 4 with a further 3 game round robin~~(deleted due to shortened 2020 season) and then Semi-Finals and Grand Final. There will also be minor playoffs for 5<sup>th</sup>-8<sup>th</sup> to determine the following season rankings.
- vi. In grades beneath Division 4, where possible & appropriate, the first round will consist of 3 grading matches then a championship round(s) with semi-finals and a Grand Final. At any time, College Sport or its appointee may make changes to ensure (a) competition is meaningful and (b) teams are playing at a level commensurate with their ability.
- vii. In order to differentiate between tied teams:
  - where two teams are tied, the result of the most recent game between the two shall determine the winner.
  - where three or more teams are tied the team with the best record in games between the tied teams shall be the winner.
  - If teams are still tied, then the team with the highest points differential in games between the tied teams shall be declared the winner.
  - If any of the tied teams have defaulted a game(s) in the round robin competition they shall automatically be disqualified from consideration.
- viii. For the following year, rankings shall be done based on end of season placings.

**16. ZONE DEFENCE**

To avoid “confusions” that have arisen in the past, coaches of Junior League teams should familiarise themselves with the following extracts from the BBNZ Operations Manual.

**(8.2) Under 16 Zone Defence**

As there is general acceptance that the consistent use of zone defences in the younger age groups adversely affects the development of both defensive and offensive skills in younger athletes *the use of zone defences is banned at BBNZ Under 16 Finals and Under 14 Zonal Tournaments.*

***This exclusion is extended to include all College Sport Junior League matches***

**(8.2.1) Definition - Zone Defence**

Any defence played in the half court which does not incorporate normal one on one defensive principles shall be considered to be a zone. For this purpose trapping defences which rotate back to one on one defensive principles shall be acceptable.

**(8.2.4) Penalty**

- |    |   |   |
|----|---|---|
| a) | 1 <sup>st</sup> and 2 <sup>nd</sup> Violation | - warning to team and coach and a loss of possession.               |
| b) | 3 <sup>rd</sup> Violation                     | - Technical Foul on the Head Coach                                  |
| c) | 4 <sup>th</sup> Violation                     | - Technical Foul on the Head Coach and consequent disqualification. |

**17. PLAYER & TEAM DISCIPLINE**

The Basketball New Zealand penalties for offences schedule shall apply to all teams playing in the League. In this respect any player sent off shall be required to appear before a school's judiciary in the week following their transgression and shall be ineligible to play in any game until such time that they have appeared. *The disciplinary sub committee shall consist of a representative from each of the 3 zones & the League Convenor.*

**Procedures:**

The Judicial Convenor will upon receipt of the referee's report:

- Notify the player's school convenor that a report has been received.
- Convene a discipline committee hearing for the incident.
- Notify all parties of the date, time & venue of the hearing.

Where the nature of the transgression is deemed “serious”, the Judicial Convenor may refer the case to one of the region's associations for its determination.

**Hearing procedures.**

- The offending player(s) and his/her coach or manager is to appear.
- All parties are to have the referee's or any other report to examine.
- The player & coach/manager are interviewed together.
- The player and or coach/manager are then given an opportunity to present their side of the case.
- The coach/manager may then address the committee (with or without the player being present).
- The committee deliberates in private and then deliver their ruling to the player & coach/manager.

The results of any hearings will be communicated to the player's school, Principal and Association as soon as practical after the hearing.

*Within these Bylaws the following interpretations shall apply.*

- 1.1 'CSW' means College Sport Wellington Incorporated.
- 1.2 'School Sport NZ' means the body formerly named New Zealand Secondary Schools Sports Council Incorporated.
- 1.3 'NSO' means National Sports Organisation.
- 1.4 'RSO' means Regional Sports Organisation.

- 1.9 'Affiliate School' means any school who although not a full member has an arrangement with CSW to from time to time participate in CSW competitions, tournament and events.
- 1.10 'Other School' means any school who is not a member or affiliate school but who may in a circumstance participate in a CSW activity

- 1.13 'First Team' level means a Member School's registered first [top] team **squad** playing in any of the sports listed in Rule 4.1 irrespective of the division they play in. A 'squad' shall be the maximum number of players' eligible to be registered in that code at a School Sport NZ sanctioned competition or tournament.

- 1.15 'The Ministry of Education's 20 day rule' means the Ministry's rule under which a student is deemed to have left school when that student has been absent for any period of 20 consecutive school days.

## 2. ELIGIBILITY - GENERAL

- 2.1 Unless a written exemption is otherwise granted by CSW, in order to be eligible to participate in activity under the jurisdiction of CSW, a student must meet all of the following criteria:
  - a. Be under the age of 19 on 1 January in the year of competition and in this respect the school must be able to authenticate their students' birth dates;
  - b. Be enrolled as a bona fide student at the school of representation and studying at least 80% of a programme that is part of a timetable provided for by the school - this includes Trades Academies and students under the Central Regional Health umbrella;
  - c. Have continuous regular attendance at the school of enrolment or conform to the official attendance policy of that school. The Ministry of Education's '20 Day rule' shall apply;
  - d. Be registered on the school's official team list for their team of representation – [see Rule 14];
  - e. Agree to abide by the College Sport Wellington Bylaws and judiciary processes;
  - f. Agree to the use of their information for the purposes of competition management and communication of relevant information;
  - g. On a case by case basis, CSW will consider applications from principals for exemptions of Year 13 students with Flexible Partnership Learning Agreements (3/2 dual enrolments) that are completing less than 80% of a course as offered by the school. The school MUST supply a fully completed MoE template - Flexible Partnership Learning Agreement - to be eligible for exemption consideration. The student must not be classified as New to School under CSW eligibility criteria.
- 2.2 Unless by special CSW exemption and the team is under the jurisdiction of a member school, there is no provision for community clubs (non-members) to enter teams into CSW competition.
- 2.3 Student registration in first teams at their new school can only be initiated from the first date of full time attendance (rather than enrolment) at the new school.
- 2.4 Year 7 and Year 8 students from those Member Schools who provide for such levels, will be eligible to participate in CSW sanctioned activity conditional on them being appropriately identified [Y7 or Y8] on team registration lists. This can only be advanced to North Island or National events if the organising body provides for it and the school makes such a request of that body.

- 2.5 Refugee students – quota refugees, asylum seekers or family reunification immigrants, are classified as domestic students.
- a. By their age, they often sit beyond CSW's junior and senior age/year level groupings.
  - b. No refugee student who is over 18 on 1 January in the year of competition will be eligible to play in any school first team, nor compete in any individual event that has a 1 January under 19 age limit.
  - c. Those who sit within the CSW age protocol will be eligible to play in first teams as domestic students, but are classified as 'new to school', and while then in the quota, will be eligible to apply for a PCRE.
  - d. However at a local level only and with the first team exclusion (4); CSW will accommodate those students over 18 on 1 January and will rely on individual schools to place the student in a team that is best for the student and their integration.
  - e. If then a student is placed in a team outside of where they would usually participate e.g. a 17 year old is placed in a junior team; or a 20 year old in a senior team, the school should advise CSW in writing of the student's name, year level and age/dob before they play.
- 2.6 If a student's eligibility is challenged, then it shall be investigated through the CSW complaint process.

### **3 ELIGIBILITY - TEAM AND PLAYER REGISTRATION REQUIREMENTS**

- 3.1 A Student may only be registered in one team per code.
- 3.2 No registered player can play for a lower graded team than that they are registered in.
- 3.3 Any student who plays in whatever capacity, as a starting player or substitute, three matches for a higher graded team than the one they are officially registered in, is deemed to have moved teams and should then be re-registered in the new team. If they wish to return to their original team, the school convenor of that code must on the student's behalf, apply to CSW and have approved a regrading before the student can return. Any such regrading requests must be received at least 4 competition matches prior to any Semi Final or Final.
- 3.4 To be eligible to play in any CSW administered code Semi-Final or Final, unless they are being promoted from a lower team, or returning from injury, a student must have played a minimum of four (4) CSW sanctioned competition games for that team.
- 3.5 A school may through unforeseen circumstance, make written application to CSW seeking a waiver to 3.4 - CSW's determination will be final.
- 3.6 Schools are required to register all of their code squads through the CSW on-line registration process. Where codes are managed or delivered by a body other than CSW, then schools should register their first teams only on to the CSW portal no later than one week after being required by that body.
- 3.7 First Team registrations (this includes teams playing in both sanctioned and affiliate codes) must be completed through the CSW on-line registration process no later than two weeks after the commencement of the competition. The schedule must include:
- a. student's full name;
  - b. photo ID where required;
  - c. date of birth;
  - d. year level;
  - e. the year they enrolled at that school;
  - f. 'New to School' (4.3) must be identified [NS]; 'Non Domestic' (4.5) must be identified [ND].
- 3.8 All other team registrations (for those teams playing in CSW delivered codes only) must be completed through the CSW on-line registration process no later than three weeks after the commencement of the competition. The schedule must include:
- a. student's full name;
  - b. date of birth;
  - c. year level ;
  - d. year they commenced at their current school.
- 3.9 Failure to supply such lists by the required date may result in the forfeiture of competition points from games played where no team lists have been registered.
- 3.10 Corrections, additions and deletions to team lists are to be advised to CSW BEFORE such players can play for their new team.

### **4. ELIGIBILITY- FIRST TEAMS, NEW TO SCHOOL, NON DOMESTICS and EXEMPTIONS**

- 4.1 Additional to the protocols prescribed in Rule 2; as they are also School Sport NZ requirements, all first teams must, irrespective of whether they play in CSW or affiliate competitions, also conform to the 'New to School', and 'Non Domestic' quota numbers within Rule 5.4.
- 4.2 The 'Quota' refers to the number of 'New to School' or 'Non Domestic' students that can be registered as a member of any first team.
- 4.3 A 'New to School' student (NTS) is a student who enrolls at a Member School at any level above Year 9 during the

two years prior to the commencement of any school calendar year; that two year period commencing from the first day of the student's official attendance (not enrolment) at their new school. However, for the purposes of National or Island events; 'New to School' refers to students who enroll at a Member School at any stage in the 2 years preceding the first day of a National or Island event.

- 4.4 A 'Domestic' student refers to:
- a. a New Zealand citizen;
  - b. a holder of a residence permit;
  - c. an Australian citizen;
  - d. a New Zealand passport holder (Cook Islands, Tokelau & Niue);
  - e. a dependent of a work permit holder;
  - f. any student on a New Zealand Government approved Exchange Programme or school to school exchange where the school is a Code signatory School, approved to operate such an exchange programme;
  - g. or as further prescribed by the Ministry of Education.
- 4.5 A 'Non-Domestic' student refers to any other student outside of the classifications in Rule 4.4. This includes Foreign Fee-paying students (FFPS) and those on exchange programmes not recognised or endorsed by the New Zealand Government. Any non-domestic student who enrolls in a school in year 9 before the first day of term 3 is in a sporting context exempt from any quota limitations.
- 4.6 Within the quota for any code, teams are limited to a maximum of two only Non Domestic students to be registered in a team.
- 4.7 Apart from the exclusion in 4.5 all other Non-Domestic students remain part of the quota throughout their time at any school.
- 4.8 Primary Caregiver Relocation Exemption - (PCRE). An exemption from the quota (Rule 5) is available for consideration and need only be sought if the inclusion of a specific student(s) results in a school's first team exceeding the stipulated NTS quota for a code. No team that has a quota limit may have more than two PCRE's.
- 4.9 Notwithstanding the above, the approval of a student's PCRE application will cover all sports that the student may choose to participate. Therefore an application only needs to be made once by the school, and their wider sport interests will be taken into account when reviewing the application.
- 4.9 Where the family or primary caregiver of a student has changed address and the student cannot reasonably be expected to remain at their previous school, an application for exemption may be submitted to CSW and will be considered by the CSW Board and Executive Director. The application, initiated by the student's new school, must be on the official PCRE (Appendix 3) form also available from CSW or its website; providing formal evidence of the address change as outlined on the application form, and be completed and signed by:
- a. the student;
  - b. the principals of the student's Exit and New School;
  - c. the student's parent or authorised primary caregiver.
- 4.10 Any student who has applied for a PCRE is ineligible to play for a team at their new school until their school has been notified of the outcome of the application.
- 4.11 The outcome from any PCRE application will be forwarded to the student's new school and if approved forwarded to the School Sport NZ for their filing.
- 4.12 Any appeal of CSW's determination of any application must be lodged in writing with the Executive Director of School Sport NZ within 7 days of any CSW decision being received by the student's new school.
- 4.13 If a student is proven to have been ineligible to participate in any CSW sanctioned activity which is part of any Island or National qualification or elimination, then CSW shall have the right to revoke that school's qualification and advise the appropriate organising body.

## **5. THE QUOTA – SCHEDULE OF MAXIMUM NUMBERS**

- 5.1 The following schedule (5.4) prescribes the number of 'New to School' students permitted in any first team participating in a CSW sanctioned sport [or any School Sport NZ sanctioned event] over a two year period as in Rule 4.3.
- 5.2 Schools that allow entry for some students only at some time from Year 11 onwards (i.e. by Gender) as per Rule 4.4, will not be bound by the numbers outlined in 5.5 below. They will instead be restricted to the maximum numbers for each code when enrolling those particular students who had previously represented another school in that code's First Team.
- 5.3 Irrespective, there shall be no more than two Non Domestic students in any registered squad. The squad size listed is based on that which teams can generally register for a School Sport NZ sanctioned tournament or a CSW competition.
- 5.4 Any breach related to exceeding the quota numbers may result in CSW imposing sanctions on the player, team, coach or school. This may include loss of all or a portion of competition points, player or coach suspension, exclusion from the competition or any other sanction the judicial committee deems appropriate.

5.5 These numbers exclude students in Year 9.

Code	Quota	Squad Size	Code	Quota	Squad Size
Badminton	2	6	Rugby League	5	20
Basketball	3	12	Rugby 15's	5	24
Basketball 3x3	2	9	Rugby Sevens	3	12
Cricket	4	14	Softball	4	12
Football	4	16	Squash	2	6
Golf	2	6	Table Tennis	2	6
Hockey	4	16	Tennis	2	6
Netball	4	12	Touch	4	12
Rowing [8/Octuples]	3	8	Volleyball	4	12
Rowing [any other boat]	1	4/2	Water Polo	3	11

## 6. HOST SCHOOL and ATTACHED SCHOOLS

6.1 A Member School [Host School] may offer sporting opportunities to students who attend any secondary school [attached school] not, by themselves, capable of entering normal secondary school events [e.g. special character schools] and with a secondary roll less than 50 in each gender. These schools may enter combined teams of students from both Host and Attached schools in CSW sanctioned activity, [and with the prior approval from School Sport NZ and the appropriate NSO, in Island and National school events], provided that before any participation occurs:

All other eligibility rules regarding age and attendance of the students are met;

- a. The Principals of the schools complete a written agreement on the terms that allow students from the 'attached' school[s] to play for a team[s] of the 'Host' School, the terms to include agreement that the student[s] from the 'attached' school will be part of the team[s] for the season and not selected for only certain fixtures;
- b. No later than four weeks prior to the implementation of the proposed shared participation, the agreement[s] will be provided to CSW;
- c. For any Host School - Attached School arrangement to be promulgated at any level beyond CSW, the appropriate documentation must be processed through to School Sport NZ via CSW no later than **eight weeks** prior to the event. The School Sport NZ will make a recommendation to the NSO or organising committee which will consider, but is not bound to accept, the recommendation of School Sport NZ;
- d. The Principal of the Host School accepts responsibility for the team;
- e. The team[s] will compete under the name of the 'Host School';
- f. An 'attached' school will have only one 'Host School' (gender specific where necessary) for its students who participate in CSW, School Sport NZ Island or National sanctioned events.

6.2 This does not prevent the attached school entering students under its own name in sports where numbers may be viable [e.g. individual sporting codes].

6.3 Any such agreements will only be effected when the appropriate documentation is signed by the Principals of both (Host and Attached) Schools, sighted and approved by CSW.

6.4 All such Host – Attached School agreements are valid only for the calendar year in which they are made and at an Island or National level for the event for which application is made.

## 7. COMPOSITE TEAMS and STUDENTS PLAYING FOR OTHER SCHOOLS

7.1 If a student's school does not provide for a code that a student wishes to play, or there are insufficient numbers to establish a team, then the student(s) may, on a 'case by case' basis, be considered by CSW (or an RSO) to play in a team from another school, apart from in any First Team (see 7.2). In accepting this, schools should recognise that the player(s) from another school will potentially be displacing one of their own students and this can cause disgruntlement.

7.2 CSW shall however where a school only has one team, have the discretion to exercise a first team dispensation to provide for a school being able to field a team. This shall only apply in CSW sanctioned competitions.

7.3 Unless some other mutual agreement is reached, the team will be known under the name of either the 'host' school or that with the most representation and wear that school's uniform.

- 7.4 Any such request must, in the first instance, be made on the appropriate CSW template (Appendix 4) with the endorsement of the Principal of the student's own school to the Principal of the school for whom they wish to play. This should include a written acceptance by the student to pay all code dues to that school and whilst representing them, accept all the authorities of that school.
- 7.5 If there is an acceptance by the Principal of the school for whom the student wishes to play, a copy of this signed acknowledgement should then be forwarded to CSW for final endorsement.
- 7.6 Please note the following rules apply for composite teams who wish to compete at School Sport NZ Sanctioned Events. Composite teams will be permitted only if:
- (a) all other eligibility rules regarding age and attendance are met
  - (b) the principals of the schools that the students attend agree
  - (c) one principal accepts responsibility for the composite team
  - (d) the team will be called by a name that indicates that more than one school has contributed players
  - (e) In the premier level of any sport, the team will be permitted only through the preliminary round and will not be eligible for placing or competition trophies (but may be eligible for awards such as Fair Play and individual trophies.)
  - (f) Where appropriate and with the agreement of the event organiser and School Sport NZ, Composite teams may compete for medal places in competitions below the premier level of that School Sport NZ sanctioned event. Where events are either a qualifying event for or incorporate promotion to a higher level School Sport NZ sanctioned event, Composite teams may not progress or be promoted to the higher level event ahead of a team from a single school.
  - (g) Composite teams should not be able to enter tournaments when single school teams are on a waiting list.

## **8. HOME SCHOOLED STUDENTS**

### **8.1 Individual Sports.**

- (i) Where event organisers wish to do so, home-schooled students that provide current evidence of MoE approval for home schooling may participate in a CSW sanctioned event.
- (ii) Home-schooled students are not eligible for medal placings, however CSW may recognise a merit performance with a separate award/s.
- (iii) The parent of the home-schooled student must sign off a document with CSW accepting full responsibility for their student including the event health and safety plans.

### **8.2 Team Sports.**

- (i) For events below the premier level of a sport, and where agreement of the event organiser is given, Home-schooled students may be included in the Composite Team of a member school.
- (ii) The member school principal of such teams is responsible for providing to the event organiser current evidence of MoE approval for home schooling for each home schooled student included in the Composite Team.
- (iii) All other CSW regulations relating to Composite Teams will apply to such teams in (i) above, including the principal of the member school taking responsibility for all team members.
- (iv) Composite teams made up entirely of home-schooled students, i.e. not part of a member school team, will not be permitted in CSW sanctioned events.

## **9. SCHOOL LEAVERS**

- 9.1 Unless an exemption is approved under Rule 9.2 or 9.3, no student who leaves the school in which they are enrolled is eligible to play for that school at any level. To this end, the Ministry of Education's '20 Day rule' shall apply.
- 9.2 CSW may at its sole discretion consider a written request from the parent/caregiver of a student for an exemption if it receives from the Principal of the student's most recent school that they are requesting to represent, their written affirmation.
- 9.3.1 Any such exemption shall apply to CSW sanctioned activity only and exclude any individual event or tournament

## **10 GENDER**

- 10.1 Unless by gender exception specified by any CSW or NSO protocol; all CSW competitions, tournaments and events shall be gender specific.
- 10.2 Schools may, on behalf of an individual, make a written submission with supporting evidence requesting a variation to Rule 10.1. This may for example be on behalf of an elite level athlete or a transgender student.
- 10.3 All cases will be considered by CSW and any other appropriate parties on their individual merit which shall include the health and safety of all participants, unfair advantage - perceived or otherwise, and any policy advice from an NSO, School Sport NZ or any other agency.

## **11. COMPETITIONS, TOURNAMENTS and EVENTS**

- 11.1 All competitions, tournaments and events will be played according to the rules and code of conduct of the particular sport subject to the provisions of these Bylaws, which will take precedence in the event of any absence, conflict or ambiguity.
- 11.2 All sanctioned sports under the jurisdiction of CSW, an RSO or other agreed provider should always give priority to school and student interests and welfare.
- 11.3 In the eventuality of a competition, tournament or event being oversubscribed, priority will always be given to member schools in any balloting required, thereafter at CSW's discretion.
- 11.4 Any request from any other school to participate in any CSW competition tournament or event will be treated on a case by case basis; but apart from the Wairarapa Schools Exemption (see Appendix 2) will specifically exclude participation in the Premier grade of any CSW competition.
- 11.5 Those sports not classified as 'sanctioned' will only be considered for inclusion in the CSW Calendar on trial basis, subject to them being approved by the Executive Director in consultation with the provider..
- 11.6 All teams or individuals participating in any CSW sanctioned activity must be under the supervision of a Coach or Manager authorised by the Principal [or appointee] of their school of representation and responsible to the school for the welfare and behaviour of those students in transit to, from and during any such activity.
- 11.7 In any of the codes listed in Rule 5.4 with CSW sanction, a school may have only one team playing in the top grade/division of that code; unless there are exceptional circumstances demonstrated and CSW or an affiliate at their sole discretion may approve a waiver.

## **12. PLAYING SEASONS**

- 12.1 In order to protect the interests and welfare of students, all CSW sanctioned sports competitions will be defined by a seasonal start date and completion date:
- (i) Summer Season: Terms 1 and 4 [from week 1 in Term 1 until the end of March and from week 2 in September until the last school week in December]
  - (ii) Winter Season: Terms 2 and 3 [from week 1 in Term 2 until the end of week 1 in September]
- 12.2 When exceptional circumstances arise, CSW may grant a variation to the dates in 12.1.
- 12.3 Regular weekly competition should as far as possible not encroach into school time nor Sundays.
- 12.4 At the regional level, no one sport should seek more than two school days for CSW approved regional championships or regional tournaments.
- 12.5 Where possible, any CSW championships, tournaments and finals should be scheduled as a preparation for Island or National secondary school championships or tournaments.

## **13. AGE and YEAR LEVELS**

- 13.1 Age eligibility for all CSW competitions, tournaments and events will be determined as at 1 January (i.e. midnight) on 31 December/1 January) in the year of competition and unless otherwise prescribed by an individual code, the levels shall be:
- a. Junior: Years 9 and 10 only (but including Years 7 & 8) where applicable – see 13.3;
  - b. Senior: Years 11 – 14 primarily, but may include Years 9 & 10.
- 13.2 In CSW sanctioned individual Championship or Tournament events, unless specified otherwise in the entry conditions:
- a. Junior Tournaments: are for Year 9 and 10 students only (plus the Year 7 and 8 waiver as in 13.3);
  - b. Senior Tournaments: are open to students from any level;
  - c. A student may play in both the senior and junior championship/tournament for any code.
- 13.3 Composite Schools with Year 7 and 8 students may include students from those year levels in any Junior CSW sanctioned event or competition. Such students must be identified on that school's team entry as Y7 or Y8 and if balloting for any event is required then Year 7 and 8 students will be those first balloted out.
- 13.4 Schools should note that not all NSOs or bodies delivering a secondary school event at an Island or National level allow Year 7 and 8 student involvement. Unless they are eligible at the Island or National level; Year 7 and 8 students are excluded from any qualifying play for these tournaments or events.
- 13.5 In consultation with CSW, other age, year level or weight groupings may be specified by some codes.

## **14. COMPETITION STRUCTURE, GRADING, PROMOTION and RELEGATION**

- 14.1 CSW considers grading matches as the most appropriate means to determine the composition of Premier (and other) grades each year. Unless prescribed otherwise by any CSW sanctioned code convention, the protocols will be:
- a. Pools for grading matches at the start of a season shall be formulated based on rankings at the end of the previous season;
  - b. If, through whatever circumstance, the number of teams required to fill any Premier grade quota are not met,

CSW reserves the right to invite teams from the next listed grade to fill any vacancies;

- c. Any team who for whatever reason in their grading matches defaults a game shall at the conclusion of grading be automatically relegated to the lowest grade of those they are contesting and all grading games involving that team shall become null and void and recorded as a 'no result' and no points awarded;
- d. If any team, who through their ranking qualifies for any promotion-relegation playoff then does not wish to exercise that option; then there shall be no offer to another team to replace them in those playoffs unless one of the teams originally offered promotion is the 2<sup>nd</sup> team of a school who are ineligible to play in any Premier grade. In this eventuality, the next ranked team may at CSW's discretion be offered the position;
- e. CSW reserves the right, in consultation with schools, to consider any application for a variation to these protocols.

## 15. RESULTS

- 15.1 Schools are responsible for entering the results of all their CSW competition matches through the CSW on line results portal - <http://collegesportwellington.sportsrunner.net/admin/login.aspx>
- 15.2 Individual schools are responsible for ensuring they have a process in place to ensure that this occurs.
- 15.3 This process is password protected for individual schools and the password is held by the Head of Sport – if at all, it should only be shared only with code convenors.
- 15.4 To ensure accurate tables are available and subsequent draws promulgated, all competition results must be entered no later than midday on the day following play, apart from weekend sport when all results must be entered no later than midday on the Monday immediately following play.
- 15.5 If any score is not entered within the time frame in 15.4 and CSW has made a further request for it and it remains un-entered, then CSW at their discretion will have licence to record that score as a 'No Result' and no competition points will be awarded to either team for that fixture.

## 16. DIFFERENTIATION OF TIED TEAMS

**Unless prescribed otherwise by any specific code convention:**

- 16.1 The process for differentiating two teams tied on round robin competition points shall be:
  - a. The team who won the most recent competition match between those two teams shall be afforded the higher rank;
  - b. If that match was cancelled, drawn or no result is entered within the required period, then the team with the better point's differential [match points or goals or sets scored for v match points or goals or sets scored against] in all rounds of that grade's competition shall be afforded the higher ranking;
  - c. If any tied team has during the round robin competition defaults a game; they will automatically be disqualified from the differentiation process and given the lowest ranking.
- 16.2 The process for differentiating more than two teams tied on round robin points shall be:
  - a. The team with the best win/loss ratio in matches between the tied teams shall be afforded the higher ranking;
  - b. If more than two teams are still tied, then the team with the better point's differential in all competition matches between those tied teams in the most recent round shall be afforded the higher ranking;
  - c. If any tied team has during the round robin competition defaulted a game; they will automatically be disqualified from the differentiation process and given the lowest ranking.
- 16.3 In the case of Semi-Finals and Finals not scheduled at neutral venues [as prescribed by that code], pending the provision of appropriate facilities, the higher seeded team shall be afforded the home venue.

## 17. ABANDONED MATCHES

- 17.1 Unless a code has its own convention; if for whatever reason a game once started is abandoned or called off, the following protocols will be applied:
  - a. If a game is abandoned or called off before the second half of a match starts, the competition points will be shared between the two teams;
  - b. If a game is abandoned or called off after the second half has started, then the score at the time of the abandonment shall stand and competition points be awarded accordingly.
- 17.2 The above shall be applied unless there is mutual agreement between the management of each team at the time of the abandonment/calling off, to reschedule the match within seven days, at a date, time and venue determined and agreed by the teams. This shall exclude any semifinal where (a) and (b) above will be applied.
- 17.3 All of the above may be annulled by any formal Judicial Process and resultant sanctioning or any other CSW determination.

## 18. CANCELLATIONS

- 18.1 Where, through weather or other intervention prior to the commencement, CSW determines to cancel games; to maintain some grade equity, CSW will generally cancel all of a grade and endeavour to re-schedule such games

- within the competition window available.
- 18.2 In the circumstance where a game(s) within a grade is cancelled and others played, the protocols shall be that the competition points for any cancelled games (less any bonus points) are shared between the two teams.
- 18.3 At the Premier level at least, every endeavour will be made to have all round-robin games completed before any Semi-Finals or Finals. If not 18.4 shall apply.
- 18.4 Where CSW has factored in a cancellation day(s) in a season's draw, then that will be used to play any catch up rounds as follows:
- (i) the earliest dated whole round cancellation will be played on the first cancellation day
  - (ii) others based sequentially on the number of cancellation days available
  - (iii) In the case of any grading match (formulation of a grade), quarter/semi-final match or other match deemed by College Sport to be of significance and not provided for above, then CSW shall determine any process
- 18.5 In all other grades (and if necessary Premier grades) if, after cancellations, there are insufficient playing days to play Semi-Finals or complete round-robin play, then the top two ranked teams at the end date of the last completed round shall contest the Final.
- 18.6 Given particular circumstances that may prevail, CSW reserves the right in consultation with schools, to vary any of these conditions.

## 19. DEFERRALS

- 19.1 Any competition match may only be deferred if all of 19.1 a - e inclusive are agreed and in the listed order.
- a. The request is made to CSW at least 2 weeks prior to the originally scheduled fixture;
  - b. CSW approves the reasoning for such a request being asked of another school;
  - c. There is mutual agreement between the two schools;
  - d. The rescheduled game is to be played within one week of the originally scheduled match. If for whatever reason the 'deferred' match is not played, then neither team will be awarded any competition points;
  - e. The school requesting the deferral must advise CSW no later than 48 hours before the match of all changes including the revised match date, time, venue and the name of any officials involved.
- 19.2 If approval is not granted by CSW or there is no mutual agreement on a rescheduled date/time/venue, then the school seeking to reschedule the fixture can either play as per the original draw or default the fixture.
- 19.3 If any two or more students from a team are required to play in the same code in a representative fixture/tournament (this excludes trials/trainings and the like) that clashes with any CSW fixture, then a deferral can be sought through CSW. Any such deferred matches must then be played within one week of the originally scheduled date or if there are other circumstances, at CSW's direction.
- 19.4 Schools' who have vacations outside of the gazetted school holidays should advise CSW of such no later than the end of February in that year. In such cases, CSW will then endeavour to accommodate but this may not be practical. While we urge schools to be accepting of deferral requests in such circumstances, ultimately 19.1 & 19.2 apply.
- 19.5 Unless there are mitigating circumstances, Semi-Final and Final matches shall not be deferred. CSW shall be the sole judge on this matter.
- 19.6 If there are any extenuating circumstances relating to any request, then CSW will rule – its decision being final.

## 20. DEFAULTS AND WITHDRAWALS

- 20.1 Any school wishing to default a match must make every endeavour to contact the opposing school code convenor or Sports Coordinator and CSW – by telephone or txt no later than 1.00pm on the day of the default or in the case of weekend sport no later than 1.00pm on the preceding Friday. *Ensure you actually speak with the person directly – if uncertain who that is, then ask for the Sports Coordinator. If this is not possible, relay the message in person to someone at reception. AVOID LEAVING MESSAGES ON VOICE MAIL.*
- 20.2 If you receive a late or no notification of a default, advise the CSW within 24 hours.
- 20.3 If a late or no notification is received, a mandatory CSW \$20 default fee will be applied.
- 20.4 If a late or no notification occurs a second time for any team, the default fee will again apply and CSW will reassess the offending team's place in that competition and reserves the right to withdraw it or impose some other sanction which may include loss of competition points or relegation from a grade.
- 20.5 Unless any code prescribes another convention, then any team defaulted too shall receive the maximum number of competition points any other team in that grade/division could have attained in that round.
- 20.6 Unless a deferral has been approved under rule 19, or there are in the opinion of CSW exceptional circumstances; any default in the Premier (top) grade of any code will incur an automatic sanction against the team defaulting.
- 20.7 The minimum sanction for a Premier grade default (notified or not) shall be a loss recorded for that match, the loss of the maximum competition points that team would have received had it won the match, loss of venue of its next home game, plus unless in CSW's view there are extenuating circumstances, a \$50 fine. At CSW's discretion, other

- sanctions could include (but not limited to); loss of all remaining home games, bottom seeding for the following year, loss of all home games during grading and default of all lower grade teams in that round
- 20.8 If any Premier team defaults on a second occasion in the same season then additional to the sanctions in 20.7; at CSW's discretion, the school may forfeit any Premier status in that code the following year.
- 20.9 If at any time after entry closure a team withdraws from a competition or tournament, they will forfeit the entry fee for that competition or tournament and further, unless there are exceptional circumstances and then at the sole discretion of CSW, that school may be excluded from entry into any other tournament in that code for the remainder of that year.
- 20.10 In the case of a team withdrawing, then all its games in that competition will be recorded as a 'No Result' and no points awarded to either team.

## **21. OFFICIATING**

- 21.1 CSW will endeavour to have officials appointed to at least the top divisions of any code.
- 21.2 Except where any code has a different officiating convention specified in its playing conditions, at any level where there are no officials appointed, unless there is mutual agreement to the contrary between the captains of each team prior to the commencement of any match, then each team is required to provide a match official; the 'home' team - that team playing at its own venue - shall provide the necessary official for the first half, the visiting team for the second half of the match.
- 21.3 In the case of codes that require two match officials (eg Basketball, Netball), unless there is mutual agreement to the contrary between the captains of each team prior to the commencement of any match, each team is required to provide a match official for the entire game.
- 21.3 Where the match is played at a 'neutral' venue - that is a venue that is not the 'home' of either team - then the first named team on the official College Sport draw shall be considered the 'home' team.
- 21.4 If in any instance where any team cannot or declines to provide the required official(s), then the opposing team may apply to CSW to claim the match by default.

## **22 FEES**

- 22.1 All Member Schools accept that a pre-condition to CSW membership or continuing membership is the fee structure established and referred to in Rule 22 of these Bylaws.
- 22.2 In this respect, each Member School shall pay an annual membership fee as determined annually by the CSW Board. Such fee shall be in the form of a per student levy and based on each school's Year 9 – 15 RS40 [or equivalent] Ministry of Education roll return and inclusive of Foreign Fee Paying Students (FFPS's).
- 22.3 For 2020 this is \$6.50 (+GST) per student. Such fees will be invoiced to schools in two annual installments in February and June.
- 22.4 Additional to the annual membership fee, schools are required to pay the individual code or athlete fees (+GST) levied by CSW or any affiliate code in whose activity they participate. These are prescribed in the College Sport handbook and are reviewed annually.
- 22.5 Schools may also be liable for default or withdrawal fees as in Rule 20.
- 22.6 CSW code fees will recognise and reflect the annual membership fees that schools pay.
- 22.7 Non-payment of membership or code fees may result in disqualification or exclusion of that school's team(s).
- 22.8 National and/or Regional Sports Organisations, team or individual affiliation fees and/or levies are additional to this and are the responsibility of individual Member Schools.

## **23. UNIFORMS**

- 23.1 All schools must provide at the commencement of each year in their annual return to CSW, a registry of their school's sport uniform colours. Any variation or change of colours being considered should first be signaled to CSW to ensure there is no clash with another member school.
- 23.2 It is a requirement that all team members in any code present themselves in an appropriate sports uniform as prescribed by that code and in the officially registered colours of their school.
- 23.3 Where there is a uniform colour clash there is a requirement to change at least the playing top. To this effect:  
a. the 'home' team shall retain its own uniform and the visiting team change to an alternate uniform;  
b. where the match is at a neutral venue, then the first named team in the draw shall be considered the home team and retain its own uniform and the second named team changes to an alternate uniform.
- 23.4 Playing in school day uniform or any other casual type clothing in any CSW sanctioned code is not acceptable and players will be defaulted.
- 23.5 Schools are responsible for ensuring their teams comply with the uniform numbering conventions of individual codes on their playing uniform.
- 23.6 Failure to comply with the required uniform standards may result in: [i] the player being defaulted [ii] the team being defaulted or [iii] team points being forfeited.

## **24. HEALTH AND SAFETY**

24.1 This is everybody's responsibility and is informed by various legislation, regulations and guidelines, including the Health & Safety at Work Act (2015), Health and Safety at Work (General Risk and Workplace Management) Regulations 2016, the Vulnerable Children's Act (2014) and the Ministry of Education Health and Safety Guidelines (2016). In the secondary school sport environment this is a complex matter and often involves multiple partners (Persons Conducting Business Undertakings - PCBUs).

24.2 It is a requirement of each school to put in place responsible measures to ensure the safety and welfare of their students both at the playing venue and in transit to and from that venue.

24.2 College Sport will additionally at the commencement of each year require from each member school through a Principal sign off; a declaration that their courts (indoor and outdoor), playing fields and any other space they provide for CSW related sporting activity is 'fit for purpose' and meets the minimum standards College Sport requires.

This includes:

- a. An appointee of the school present and responsible for the general oversight and accessibility to facility(s) being used, including;
- b. Minimum standards listed being presented;
- c. Availability and accessibility of changing rooms and toilets;
- d. Emergency vehicle access to any facility being used and the capacity to unlock any chained or gated off access ways when required CSW reserves the right in consultation with the principal, to not use any venues who in their opinion do not meet the prescribed minimum codes, or any other health and safety expectations.

## **25 SPONSORSHIP**

25.1 CSW is from time to time in support of its own partners, positioned to provide product or resources to schools. Where such product or resource is in conflict with that a school may already partner, then CSW may elect to not offer such to that school.

25.2 Sponsorship arrangements for Member Schools are the property and responsibility of the school and should be signed off by the Principal. College Sport respects this but suggests some guidelines that should be considered when branding up such property.

25.3 Sponsorship should be for the purpose of supporting and developing a school's sports programme.

25.4 School sports uniforms may display the official manufacturer's logo, the official school crest and team name/level or emblem, number(s) and any sponsor's logo as outlined in Rule 25.5.

25.5 The size of any sponsor's advertising or logo, while needing to be 'visual', should not become excessively dominant on the playing strip and should not interfere or impose on any uniform numbering required by the rules or requirements of any code.

25.6 Schools should discourage sponsorship or association with companies, retailers or outlets associated with products or services, which could be considered objectionable or inappropriate.

25.7 CSW reserves the right to request a change to any Member School uniform if the sponsorship or proposed sponsorship is unsuited to the secondary school environment or is in any other way deemed inappropriate.

## **26 INDUCEMENT TO TRANSFER SCHOOLS FOR SPORTING PURPOSES (POACHING)**

26.1 CSW does not condone any inducement of students to transfer from one school to another for sporting reasons, other than by way of application by publicly advertised scholarships.

26.2 No employee of a Member School or other person associated with coaching or managing sport in a Member School shall initiate any communication, written or verbal, with a student, their parent or guardian from another Member School that may be considered an enticement to change schools.

26.3 If a written complaint with supporting evidence is received about an improper inducement that an employee or other person associated with coaching or managing sport in a Member School suggested to, or used influence on a student to transfer schools' for sporting purposes, it shall be referred in the first instance to the Executive Director for substantiating. If it is then established that the allegation is not frivolous and may be in breach of the CSW (and School Sport NZ) Bylaws, then the Executive Director shall refer it to the CSW Board or Commissioner for their consideration and resolution.

26.4 Should for whatever reason the issue not be resolved by the CSW Board or Commissioner, it may be referred to the School Sport NZ for their determination.

## **27 MISCONDUCT COMPLAINTS**

27.1 **Match Official** - any report from a match official against a player, team management or spectator involved in a CSW sanctioned match, tournament or event must within 72 hours of the completion of that match, tournament or event, lodge their written report with their RSO and CSW who will then deal with it in accordance with any RSO

- process or at the RSO request, by a CSW process.
