## Introduction

Hoe Tonga Pacifica Waka Ama Association, in association with College Sport Wellington, is pleased to offer secondary school students the opportunity to participate in our region's Secondary School Sprint Champs. The event will take place on Saturday 13 March 2021, at Onepoto Reserve in Titahi Bay, Porirua.

We will once again also have a year 7/8 division for W6 races only. This will open up entries to schools with year 7/8 students that wish to partake in the event. This division will act as a bridging division.

We recognise the effort schools undertake to ensure all students are given the opportunity to participate in sport at any level and we believe Waka Ama delivers an experience of a lifetime. We wish to acknowledge those involved in delivering programmes to students, particularly clubs who provide access to equipment and coaching, and of course the many parents and teachers who offer their support and guidance.

It is our hope that students enjoy this unique experience and consider joining one of the many clubs within our region to further develop their skills and engage fully in the many different aspects Waka Ama provides. Waka Ama provides individuals with the opportunity to develop connections to our community, develop leadership skills and adopt a healthier lifestyle and sense of hauora or wellbeing.

Our Secondary Schools regatta has increased in numbers every year and its success is largely due to our team of dedicated volunteers. Hoe Tonga invites you and your supporters to be part of this success while enjoying all the excitement waka ama brings to our community.

Information regarding the Hoe Tonga Regional Secondary Schools Waka Ama Sprint Champs can also be viewed on [www.hoetonga.co.nz](http://www.hoetonga.co.nz) (go to the race notice in the race calendar) and on [www.collegesport.org.nz](http://www.collegesport.org.nz).

## Club contacts

The Hoe Tonga Pacifica Waka Ama Association (Hoe Tonga) is the organisation representing Waka Ama (Outrigger Canoeing) in the lower North Island. The region comprises Wellington, Porirua, Hutt Valley, Horowhenua, Manawatu, Wairarapa and Whanganui.

There are a total of 14 clubs located within the Hoe Tonga region and contact details for them are available at <https://wakaama.co.nz/clubs/list/97>, with key contacts also listed below. Sports Coordinators and schools will need to make arrangements with these clubs to assist with or provide training. Some schools already have existing relationships with clubs in their area and we encourage you to continue with relevant arrangements.

All paddlers are expected to have experienced at least one capsiz drill during training, and be regarded as sufficiently competent by Sports Coordinators or team managers to compete at the regatta.

## Key information

Organiser: Hoe Tonga Pacific Waka Ama Association

Main contact: Jörn Scherzer, hoetonga@gmail.com

Venue: Onepoto Domain, Porirua Harbour

Date: Saturday 13 March 2021; postponement date: Sunday 14 March 2021

Time: 7am – 4pm (finish time estimate only)

If this event is postponed due to adverse weather conditions, Hoe Tonga will advise schools and participants via a website notice on [www.hoetonga.co.nz](http://www.hoetonga.co.nz) by 12pm on Friday 12 March 2021.

## Categories and age groups

Category	Age Groups	Comment
W1 250m	Girls and Boys J16 and J19	Students must be competent to paddle a rudderless W1 in a range of conditions.
W6 250m	Girls and Boys Intermediate, J16 and J19	Raced in a straight line
W6 500m	Girls and Boys Intermediate, J16 and J19	Raced with one turn on a 250m course

## Eligibility

Competitors must be under 16 years old on 1 January of the year of race to enter as a J16 or be under 19 years old on 1 January to enter as J19. The intermediate grade will only be open to those students in year 7 or 8 in their respective schools.

Competitors may only compete for the school at which they are enrolled and attend full time.

A student may only paddle for one crew in any one race/event, ie Yr7/8 or J16 or J19. W6 teams must only comprise students from the same school.

Please note that no formal mixed divisions. While composite (mixed) teams may entered in the Boys division, these teams **are not eligible for prizes or progression to champ finals.**

## Entries

The cost to participate is \$20 per paddler. Paddlers competing in W1 and W6 races only pay one fee.

Entries will close on **Friday 5 March**. This is to allow for the preparation of the race schedule and lane draw.

Late entries will incur a \$15 penalty per entry and will only be allowed if there are lanes available in the respective division. Entries will not be accepted on the day.

Entries for J16 and J19 divisions are to be made by school representatives (Sports Coordinators) online through the College Sport Wellington website at [www.collegesport.org.nz](http://www.collegesport.org.nz). This is a password protected site and the School Sports Coordinators will need to manage this. Any school in Whanganui, Wairarapa and Manawatu wishing to enter will need to contact College Sport Wellington to process their entry.

Entries for year 7/8 division are to be made manually via the entry form at the end of this information pack and emailed to [hoetonga@gmail.com](mailto:hoetonga@gmail.com).

Any enquiries regarding entries should be directed to College Sport Wellington: David Fa'atafa, Code Manager Waka Ama, [david@collegesport.org.nz](mailto:david@collegesport.org.nz), 021 448279.

NOTE: Each school will be invoiced by College Sport Wellington for J19 and J16 entries after the event. Each school with year 7/8 entries will be invoiced by Hoe Tonga Pacifica Waka Ama Association. Schools will be invoiced for registered teams and individuals competing in W1 that are not in a team. Invoices, which may not be sent out until after the event, are based on those teams and paddlers registered as at **Friday 5 March 2021** and any relevant late entries.

## Race schedule and lane draw

Unless otherwise notified, the race schedule and lane draw will be published by 8pm on Thursday, 11 March 2021 at [www.hoetonga.co.nz](http://www.hoetonga.co.nz).

Races may be combined at the sole discretion of Hoe Tonga and is dependent on the number of entries received.

14/3/2021	Postponement date	

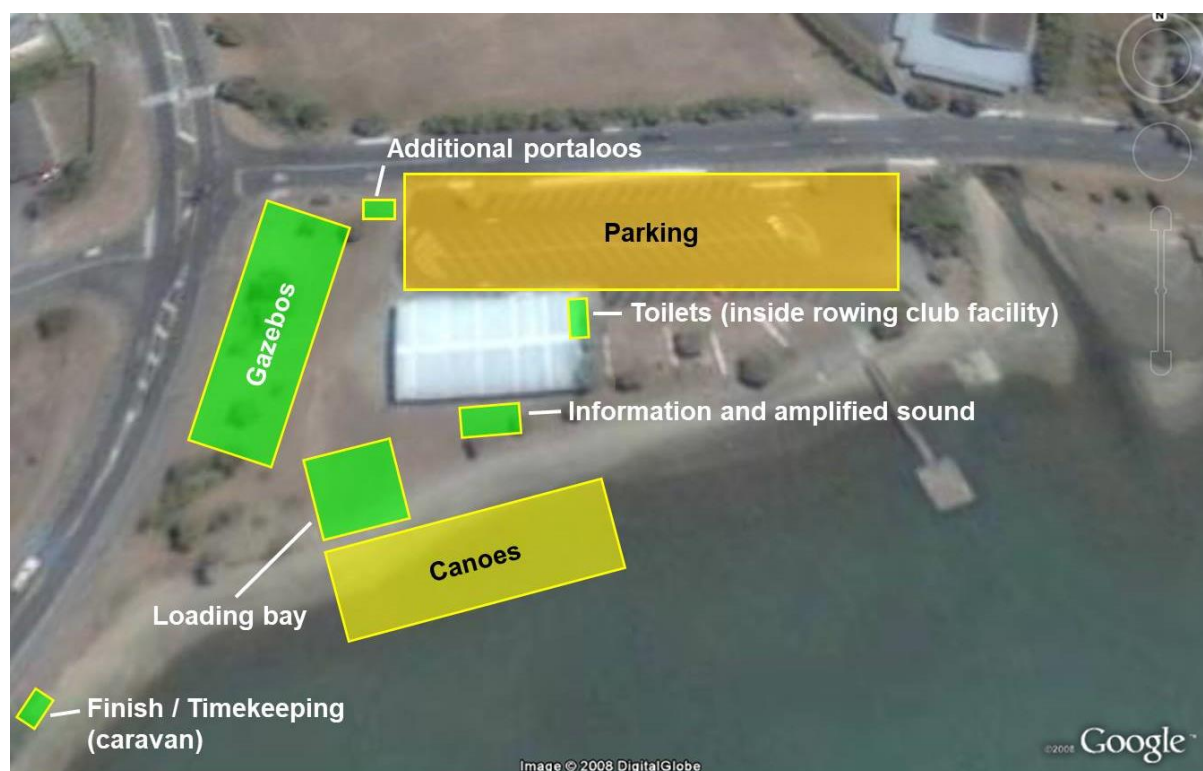

## Event area

The event will be held at Onepoto Domain and on Porirua Harbour. Paddlers and supporters are to keep clear of the entrances of the rowing club and kayak club storage sheds.

Schools are encouraged to provide shelter for their paddlers. Please observe the event area layout and keep club tents and gazebos clear from areas that are clearly marked for official use (see event area layout below).

No alcohol, drugs or smoking is allowed at the event.

Teams are invited to bring refreshments and food. Organisers will endeavour to have a coffee cart and food stalls along with our DJ on site for the day.

## Fundraising

Every year Hoe Tonga receives requests from schools that wish to have stalls on site for fundraising.

If your school wishes to have a stall, YOUR Sports Coordinator must make a request to do so by contacting [hoetonga@gmail.com](mailto:hoetonga@gmail.com) before **Monday 1 March**. This is to avoid competing activities and duplication.

Hoe Tonga will confirm whether your school will be able to set up a stall.

## Waste minimisation

Hoe Tonga will provide rubbish bins for the day, please use them. If you see litter, especially plastic wrappers and the like, please pick it up (even if it's not yours) to avoid this reaching our water ways and ultimately becoming micro-plastics.

To help minimise waste, we will have in place a water-refill station. Please bring your refillable bottles.

Note that recycling bins will not be offered due to the cost involved with staffing bins to avoid contamination. However, we encourage competitors and supporters to take recyclable items (eg plastic bottles, cans) home for recycling via their kerbside services.

## COVID-19

When you arrive at the event venue, please "sign-in" via the COVID-app QR code displayed at the venue, or alternatively use the manual sign-in sheet available at the registration desk.

We encourage best practice hygiene, ie wash your hands, utilise sanitiser. If you feel unwell with relevant symptoms, please do not attend this event. Sanitiser will be on-hand at the information desk.

Depending on the alert level, the event may need to be cancelled, in line with Waka Ama NZ guidance and requirements.

## Rules and regulations

[Waka Ama New Zealand race rules](#) and School Sport New Zealand bylaws apply to schools entering this event.

## Code of conduct

Schools are responsible for the behaviour of their students on and off the water. Supervisory staff and support adults will ensure that all race rules are observed and that their students display a good sportsperson type attitude when competing.

## Canoes

W6 Mahi Mahi will be used for all team events. Paddlers competing in W1 are to provide their own canoe and number holder for racing.

Hoe Tonga Waka Ama Association will arrange the supply of W6 specifically for this event with its affiliated clubs. Any team causing damage to any W6 during this event will incur the cost of the repairs, which will be charged to the team's school. All contracted W6 waka are to be used solely for this competition.

## Uniform

All paddlers must paddle in a team uniform. Team uniform on the water must include the same tops.

While not essential, it is recommended that teams also wear the same shorts, skirts or lavalava. These must be standardised for the whole team.

Hats and sunglasses are permitted if individual paddlers wish to wear them.

Appropriate additional items of uniform may be worn in line with weather conditions. These items must be worn underneath their race uniform.

## Progressions and finals

Progressions to finals are based on a team's time posted in the heats. Normally racing will feature heats and finals.

Should there be any withdrawals, the Race Director may eliminate a heat and place competitors in other heats.

## Safety

Approved Personal Flotation Devices (PFDs) are compulsory and must be worn by ALL competitors. Schools must provide their own team PFDs. Note that correct sizing is an important part of the safety. **Waist type belts/ tubes are not approved.**

There will be at least two support boats monitoring racing. In case of adverse weather conditions on race day or any other matters that could compromise paddler safety, the Race Director retains the right to stop, postpone and/or cancel races on race day. Organisers may be unable to refund race fees in this case.

## Paddles

Paddles must be a single blade, and may be any size or shape, and constructed from any material. Organisers will NOT provide paddles.

## Pre-race guidance

Paddlers are to follow officials' instructions at all times.

When races are called, teams/paddlers are to assemble at the loading bay. Paddlers must not load into canoes without going through the loading bay.

Loading bay officials will advise paddlers when to load. W6 will be allocated to lanes and teams by the officials in the loading bay.

Once on the water, teams are to paddle directly to the start. Teams are to wait on the water in the vicinity of the start area for their race.

## Race course

In racing requiring turns, there will be flags on the turning buoys.

## Lanes

All races will be on a 250m course. For turn races, teams will start from the boatshed end of the course and turn around a buoy set at 250m away. A team must complete the entire race within its designated lane.

In any race involving turns, the canoe must turn counter-clockwise around the flag but may start or finish with the flag on either side so long as they are within their designated lane.

When a race is in progress, paddlers that are not racing are not permitted to be on the course.

## Starts

Competitors must be present at the start line for their event as shown on the programme. Starting signals shall be given regardless of absentees. The start procedure is as follows:

- Raising the white flag: Teams must position their canoes approximately 10m from the actual start line.
- Raising of the red flag: Teams must move to their starting position but remain behind the start line.
- Raising of the green flag indicates the start of the race.
- Raising of the black flag (while the red flag is raised) indicates that at least one canoe has moved over the start line. All teams should check, and if necessary, correct their positions. The black flag will be lowered as soon as all canoes have moved back behind the start line. If

the green flag is raised while the black flag is still up, at least one team has incurred a start infringement.

## Disqualification and time penalties

Disqualification or time penalties will occur for any fault that is made before, during or after any race. This includes any breach of the Race Rules. The following provisions are cause for an infringement:

- Misconduct or bad behaviour.
- Competing for more than one school in an event will disqualify both crews.
- Paddling at any time during a race outside the assigned lane.
- Starting or finishing outside the assigned lane.
- Paddling in a non-seated position (standing in a canoe at any time)
- Crossing the start line at any time before the raising of the green flag.
- Not rounding the flags in a counter clockwise direction.
- Not rounding the turn flag with the entire waka including the ama.
- Failing to complete a turn within the designated lane and buoys.
- Not following the starting rules.
- Completing a race with fewer than 6 paddlers (W6).
- Paddling without the correct uniform.

## Volunteer information

Please note that each school will be asked to provide two adult volunteers to assist in the running of this regatta. The volunteers will need to assist for a minimum of half a day and ideally the same volunteer for the whole time is preferred. Hoe Tonga will provide team leaders for key areas, who will be able to guide volunteers at each station.

All volunteers will receive a lunch pack and drinks during the day.

Hoe Tonga requires volunteers in the following areas:

- General administration (signing in teams, runner to pick up results, errand runs)
- Finish line (results, spotters, time keeping, radio comms)
- Loading bay (marshalling, helping paddlers in and out of waka, bailing water out of canoes)
- Flag boat (assisting with flags and radio comms)
- Aligner boat (assisting with aligning canoes and radio comms)

Volunteers may be allocated to areas outside of their preference if required.

Hoe Tonga wishes to thank all those who give up their time willingly to help make this event a success. We hope you enjoy this day as we look forward to some exciting racing.

College Sport Wellington are making it easier for schools to get involved and will require Sports Coordinators to register your two volunteers online when your entry is processed.

If you have others in your community available and keen to assist please email Hoe Tonga ([hoetonga@gmail.com](mailto:hoetonga@gmail.com)) with their names, preferred volunteer area, and contact details.
